MISSION 2

MISSION 3

MISSION 4

MISSION 5

MISSION 6

Mission 4: Education and Research

This Mission aims to fill structural deficiencies in the Education system by strengthening quantitative and qualitative offer of education services, also provides an increase in the supply of nursery schools and facilitates access to university. Moreover, this action strengthens guidance and favours teachers recruitment and training. Some policies support research and trigger technology transfer, in order to raise country's potential growth.

Mission 4: overview

RECOVERY AND RESILIENCE PLAN

#NEXTGENERATIONITALIA
